

AGRO CHEMICAL & FOOD COMPANY LTD

FOOD SAFETY POLICY STATEMENT

Agro-Chemical & Food Company Limited (ACFC) is committed to meeting food safety requirements applicable to our role as Food and Ingredients Supplier in the Food Chain. Towards this end, it is our Policy that we:

- ❖ Produce and through trade and distribution, provide high quality, **Bakers' Yeast, Extra Neutral Alcohol (ENA) and Compounded Potable Alcoholic Beverages**, that are safe and fit for their intended use;
- ❖ Maintain appropriate levels of hygiene and adhere to current Good Manufacturing Practices (cGMP), that ensure the safety of our products at all times;
- ❖ Satisfy applicable Food Safety requirements, including Statutory and Regulatory requirements, Other applicable requirements mutually agreed upon with Customers related to Food Safety, as well as additional FSSC 22000 requirements;
- ❖ Establish and implement effective external communication systems with our Suppliers, Contractors, Customers, Statutory and Regulatory Authorities, Other Interested Organizations in the Food Chain, and also ensure internal communication with the Organization personnel regarding food safety aspects;
- ❖ Provide necessary Resources for effective implementation of the Food Safety Management System;
- ❖ Invest in Capability enhancements through Staff training and development, to ensure competencies related to Food Safety, and
- ❖ Establish measurable Food Safety Objectives at Organization's functional levels and ensure they are reviewed annually.

ACFC's Top Management shall ensure that this Food Safety Policy is maintained and available to all our Internal Associates and to relevant Interested Parties; it shall be communicated, understood and applied at all levels within the organization, reviewed for continuing suitability and updated to address changing requirements, to promote continual improvement.

Ashok Agrawal
